(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$		
	Multiply the number of other dependents by \$500 \$		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . .	4(c)	\$

If filing EXEMPT status please write EXEMPT Here:

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

MAINE

Employee's Withholding Allowance Certificate

Employee/Payee Instructions

Purpose: Complete Form W-4ME so your employer/payer can withhold the correct Maine income tax from your pay. Because your tax situation may change, you may want to recalculate your withholding each year.

Line 3. Select the marital status that applies to you. You must select the same marital status you selected on your federal Form W-4, except that married individuals have the option of withholding at the higher single rate. If you selected married filing separately on your federal Form W-4, you should select single. Nonresident aliens are required to check the single box regardless of actual marital status.

Line 4. If you qualify for one of the exemptions from Maine withholding listed on line 6, complete lines 1, 2, 3, and 6, and sign the form. Otherwise, complete the Personal Allowances Worksheet on page 1. You may claim fewer allowances than you are entitled to, but you must file a Personal Withholding Allowance Variance Certificate to obtain permission from the State Tax Assessor if you want to claim more allowances than allowed on line E above.

Exemptions from Maine withholding:

Line 6a. You may check this box if you completed federal Form W-4 and wrote "Exempt" in the space below Step 4(c). Do not check this box if you want Maine income taxes withheld even though you are exempt from federal withholding.

Line 6b. You may check this box if you completed federal Form W-4P and wrote "No Withholding" in the space below Step 4(c). Do not check this box if you want Maine income taxes withheld even though you are exempt from federal withholding.

Line 6c. You may elect this exemption if you are a resident employee receiving wages and you meet both of the following conditions:

1. You had **no** Maine income tax liability last year, **and**
2. You reasonably expect to have **no** Maine income tax liability this year.

This exemption will expire at the end of the year and you must complete a new Form W-4ME for next year or you will be subject to Maine withholding at the maximum rate.

Line 6d. You may elect this exemption if you receive periodic retirement payments pursuant to Internal Revenue Code, Section 3405, you had no Maine income tax liability in the prior year, and you reasonably expect you will have no Maine income tax liability this year. This election will remain in effect until you complete a new Form W-4ME.

Line 6e. If you are the spouse of a member of the military, you may

claim exemption from Maine withholding if you meet the following requirements:

1. Your spouse is a member of the military located in Maine in compliance with military orders.
2. You are in Maine solely to be with your spouse.
3. You and your spouse have the same domicile in a state other than Maine.
4. You attach a copy of your spouse's latest Leave and Earning Statement reflecting an assignment location in Maine.
5. You present your military ID to your employer. The ID must identify you as a military spouse.

Your exemption will expire at the end of the calendar year during which you submit Form W-4ME claiming the exemption, at which time you must complete and submit a new Maine Form W-4ME for the new year.

Line 7. You may check this box if you meet all of the following requirements:

1. You are an enrolled member of the Houlton Band of Maliseet Indians, the Passamaquoddy Tribe, or the Penobscot Nation ("tribal member");
2. You reside on land within the Houlton Band Trust Land, the Passamaquoddy Indian territory, or the Penobscot Indian territory ("tribal land"). See 36 M.R.S. § 5102(5-A) for a definition of "tribal member residing on tribal land"; and
3. You earn wages, salaries, or other compensation derived from or connected with sources on tribal land in Maine (that is, wages, salaries, or other compensation **for work performed on tribal land in Maine**).

By checking the box on line 7 and signing Form W-4ME, you certify that you qualify for the exemption.

This exemption will remain in effect until you complete a new Form W-4ME. If your situation changes, and the exemption is no longer valid, you must provide a new Form W-4ME to your employer.

This exemption applies only to wages, salaries, or other compensation earned by a tribal member for work performed in Maine on tribal land. Thus, you must complete Form W-4ME, lines 1 through 5 to direct your employer/payer to withhold the correct Maine income tax from any compensation earned for work performed outside of tribal land.

Note: You may be subject to penalty if you do not have sufficient withholding to meet your Maine income tax liability.

Notice to Employers and Other Payers

Maine law requires employers and other persons to withhold money from certain payments, most commonly wages, retirement payments and gambling winnings, and remit to Maine Revenue Services for application against the Maine income tax liability of employees and other payees. The amount of withholding must be calculated according to the provisions of MRS Rule 803 (See maine.gov/revenue/rules) and must constitute a reasonable estimate of Maine income tax due on the receipt of the payment. Amounts withheld must be paid over to Maine Revenue Services on a periodic basis as provided by 36 M.R.S. Chapter 827 (§§ 5250 - 5255-B) and MRS Rule 803 (18-125 C.M.R., ch. 803).

Employer/Payer Information for Completing Form W-4ME

An employer/payer is required to submit a copy of Form W-4ME, along with a copy of any supporting information provided by the employee/payee, to Maine Revenue Services if:

- A. The employer/payer is required to submit a copy of federal Form W-4 to the Internal Revenue Service either by written

notice or by published guidance as required by federal regulation 26 CFR 31.3402(f)(2)-1(g); or

- B. An employee performing personal services in Maine furnishes a Form W-4ME to the employer containing a non-Maine address and, for any reason, claims no Maine income tax is

to be withheld. This submission is not required if the employer reasonably expects that the employee will earn annual Maine-source income of less than \$3,000 or if the employee is a nonresident working in Maine for no more than 12 days for the calendar year and is, therefore, exempt from Maine income tax withholding.

Submit copies of Form W-4ME directly to the MRS Withholding Unit separately from any other tax filing.

Employers/Payers must complete lines 8 through 11 only if required to submit a copy of Form W-4ME to Maine Revenue Services.

- ✓ Line 8 Enter employer/payer name and business address.
- ✓ Line 9 Enter employer/payer federal identification number (EIN and/or SSN).
- ✓ Line 10 Enter employer/payer contact person who can answer questions about withholding (i.e. human resources person, company officer, accountant, etc.).
- ✓ Line 11 Enter employer/payer contact person's phone number.

Important Information for Employers/Payers

Missing or invalid Forms W-4, W-4P or W-4ME. If any of the circumstances below occur, the employer or payer must withhold as if the employee or payee were single and claiming no allowances. Maine income tax must be withheld at this rate until such time that the employee or payee provides a valid Form W-4ME.

- (1) The employee/payee has not provided a valid, signed Form W-4ME;
- (2) The employee's/payee's Form W-4 or W-4P is determined to be invalid for purposes of federal withholding;
- (3) The Assessor notifies the employer/payer that the employee's/payee's Form W-4ME is invalid; or
- (4) The employee's/payee's Personal Withholding Allowance Variance Certificate has expired, a new variance certificate has not been approved and submitted to the employer/payer and the payee has not provided the payer with a valid Form W-4ME.

Exemptions from withholding Form W-4ME, lines 6 and 7. Generally, employers/payers must withhold from payments subject to Maine income tax unless an exemption is claimed on line 6 or 7.

Federal exemption from withholding (lines 6a and 6b). An employee/payee who is exempt from federal income tax withholding is also exempt from Maine income tax withholding. The employee/payee must check the applicable box on line 6. An employee/payee exempt from federal withholding that wants Maine withholding must leave line 6 blank. See the instructions for line 6d for recipients of periodic retirement payments who are exempt from federal income tax withholding.

Resident employee exemption from Maine withholding (line 6c). A resident employee who is subject to federal income tax withholding is exempt from Maine income tax withholding if the employee had no Maine tax liability for the prior year and expects to have no Maine tax liability for the current year. The exemption on line 6c expires at the end of each year. If the employee fails to submit a new Form W-4ME for the next calendar year, the employer must begin withholding at the single rate with no allowances.

Withholding from payments to nonresident employees. An employee who is exempt from Maine income tax because of the nontaxable thresholds applicable to nonresidents is not required to complete and submit Form W-4ME; however, an employee becomes subject to Maine income tax withholding immediately upon exceeding a threshold at any time during the year. Because all income earned in Maine is taxable by Maine once a threshold is exceeded, employers should work with affected employees to ensure that Maine withholding is adequate to cover Maine income tax liability for the year. This may require the employee submitting a new Form W-4ME with the employer.

Withholding exemption for periodic retirement payments (line 6d). Recipients of periodic retirement payments as defined by IRC § 3405 that are subject to federal income tax withholding are exempt from Maine income tax withholding if the recipient certifies (by checking the box on line 6d) that he or she had no Maine income tax liability for the prior year and expects to have no Maine income tax liability for the current year. The exemption remains in effect until the recipient submits an updated Form W-4ME.

Exemptions under the Military Spouse's Residency Relief Act (MSRRA). If the box on line 6e is checked, the employer must:

- (1) Ensure that a copy of the military member's Leave and Earnings Statement (LES) is attached, and verify that the assignment location entered on the LES is a location in Maine; and
- (2) Review the employee's military ID to ensure that the date on the ID is not more than four years prior to the date on the employee's Form W-4ME, and that the ID denotes the employee as a current military spouse.

An exemption claimed on line 6e expires at the end of the calendar year. If the employee does not submit a new Maine Form W-4ME, the employer must begin withholding for the first pay period in the following year at the maximum rate (single with one allowance).

See the employee instructions for line 6e above for more information about this exemption.

Withholding from payments to tribal members who reside and work on tribal lands (line 7). An employee is exempt from Maine income tax withholding on wages, salaries, or other compensation derived from or connected with sources on tribal land in Maine (that is, wages, salaries, or other compensation **for work performed in Maine on tribal land**) if the employee checks the box on line 7 and signs Form W-4ME certifying that they are an enrolled tribal member residing on tribal land in Maine. This exemption remains in effect until the recipient submits an updated Form W-4ME.

Employers must withhold from payments that do not meet the requirements of this exemption, such as wages, salaries, or other compensation earned by a tribal member residing on tribal land when the work is performed outside of tribal land.

See the employee instructions for line 7 above and 36 M.R.S. §§ 111(9), 111(10), 5102(5-A), 5122(2)(ZZ), and 5132 for more information about this exemption.

Please answer all the questions. The interview takes about 3 to 4 minutes to complete. Thank you!

Welcome to Manpower!

This Training and Policy Handbook (Handbook) is designed to assist you with questions about your employment. After you review it, **keep this Handbook as a resource**. And remember, Manpower is always available to answer your questions.

Assignments

When you accept a work experience assignment, you'll receive details from your DVR Counselor to prepare you for your assignment, including:

- Work location name and address
- Pay rate, work hours, and start date
- Check-in procedures and supervisor's name
- Description of what you'll do on the job
- Dress code and other important details

Manpower is Your Employer. Even though you are working at a different company location, you are still a Manpower employee. Contact Manpower and your DVR Counselor to tell us if:

- The work you are asked to do is substantially different from the work you were expecting.
- The work environment appears unsafe, or you feel uncomfortable in any way.
- You have changed your address, phone number, email address, or direct deposit account.
- You feel Manpower's Anti-Harassment/Anti-Discrimination Policy, or other policies, are being violated.

Workplace Injuries or Incidents. Of course, we expect that you'll never be injured on the job, however if you are injured, we want you to receive the best, most appropriate care without delay. If you receive a life-threatening injury on the job, 911 should be called. **For all other injuries, follow the process below:**

- Notify your supervisor immediately. Tell them what happened and how you are feeling.
- Notify Manpower and your DVR Counselor as soon as possible. It is your responsibility to report an injury/incident directly to Manpower.
- A Manpower Representative will ask you for details about the injury/incident and your medical symptoms.
- A Manpower Representative will provide information on Manpower's occupational health provider, should medical treatment be necessary.
- A Manpower Representative will advise you of a date and time to complete Manpower's incident/injury paperwork.

We take your safety and well-being very seriously. Please inform Manpower any time you are injured, you experience a near-miss, you see unsafe work practices on the job, or you have any safety concerns whatsoever.

Time Reporting

Making sure you are paid correctly and on time is one of our most important commitments to you, but we need your help. You will be required to log your hours and submit your time online, by smartphone, or by telephone. Instructions are provided in a separate document. To receive your pay quickly and accurately, enter and submit your time before Sunday at midnight each week. **Reports submitted late or inaccurately may cause a delay in your pay. In the event you are overpaid, the overpayment will be deducted from future pay.**

Getting Paid

Your weekly pay is based on your completed, submitted, and approved time. As your employer, Manpower will deduct the necessary FICA and Federal, State, and local (if applicable) taxes, as required by law. **To ensure prompt deposits and statements, you must contact Manpower immediately if you change your address or financial institution.**

Direct Deposit Convenience. Direct Deposit offers you convenient, reliable, safe, and easy access to your paycheck. Manpower provides you with Direct Deposit at no charge. To enroll, complete the Direct Deposit Authorization Form. Completing and signing this form gives Manpower the authority to deposit your pay to your account.

PayCard. This debit card allows you convenient access to your funds at ATMs and retail locations. Note: Your PayCard relationship is with the card provider, not Manpower.

Paper Check. Manpower's paper check option is available in special circumstances, but is discouraged, as U.S. Postal Service delays may impact the delivery date of your paycheck.

Satisfaction

Job Satisfaction. Your feedback after an assignment is important to us. From time to time, you may be emailed a Manpower Associate Satisfaction Survey that asks you to rate your current and/or past assignments, job duties, and Manpower's service. **We consider anything below a "9" or "10" rating to be an unsatisfactory rating.** Remember that if, at any time, you have comments or concerns you would like addressed, please contact your local Manpower office.

Benefits

Maine Earned Paid Leave (EPL). Manpower associates accrue 1 hour of Earned Paid Leave for every 40 hours worked, up to 40 hours in a calendar year. Our full policy can be found by scrolling down [here](#).

Career Development. PowerYOU, Manpower's on-line training and development tool, offers free access to an extensive range of courses and serves as a powerful on-the-job reference tool. Curriculum includes computer, business, and professional development courses. Learn more about PowerYOU [here](#).

Safety

Your safety is important to us. Manpower will not knowingly assign or allow any associate to work in an unsafe work environment. Manpower abides by all safety regulations and guidelines set forth in federal, state, and local statutes. Manpower will not tolerate retaliation toward anyone who in good faith reports safety concerns. To make the workplace safe, it's your responsibility to:

- Understand the safe practices for your general work area and your job and follow them.
- Comply with all safe work practices and wear required personal protective equipment for your job assignment.
- Attend and participate in worksite specific training
- Wear clothes appropriate to the job you'll perform. If you have questions about what to wear – or what not to wear – ask your Supervisor and DVR Counselor.
- Immediately report all unsafe working conditions to your supervisor, as well as to your DVR Counselor and Manpower.
- Operate only those machines and tools that your DVR Counselor and Manpower have indicated are part of your assignment and for which you've received instruction or training.
- Notify your DVR Counselor and Manpower of any requested changes in your job duties or if you're asked to operate equipment or perform a task for which you have not been trained.
- If you are asked to perform a task which you feel is unsafe, contact your DVR Counselor and Manpower immediately. If you're working during a time when you're unable to reach your Manpower Representative, inform your supervisor that you cannot perform those tasks without approval from Manpower.
- If you receive a life-threatening injury, 911 should be called.
- If you receive a non-life-threatening injury, notify your supervisor, and contact your DVR Counselor and Manpower as soon as possible.

Safety Training

Hazard Communication - Global Harmonization System (GHS). This Occupational Safety and Health standard is intended to address the classifying of potential hazards of chemicals and the proper communication of information concerning the hazards and protective measures to employees. Manpower provides you with an overview of the Hazard Communication requirements. You will receive specific chemical information and training at the job site. There are five major components to this OSHA standard:

1. **Hazard Communication Written Program.** Manpower's client is responsible for developing, maintaining, and implementing, a written hazard communication program for the workplace, this includes a list of hazardous chemicals present in the workplace, labeling of containers, safety data sheets and how the worksite will train all employees.
2. **Chemical Inventory.** Manpower's client is required to identify and maintain a list of hazardous chemicals in the workplace. This inventory is generally an electronic list of chemicals in the work environment. You, as a Manpower associate, have a right to review this inventory list. Ask your supervisor.

3. **Labeling.** Chemical manufacturers and importers are required to provide a label for each chemical that includes a harmonized signal word, pictogram and hazard statement for each hazard class and category. Never handle a container if you do not know what it contains.
4. **Safety Data Sheet.** Each worksite is required to maintain a safety data sheet for each hazardous chemical and make each one accessible to all Manpower associates. The safety data sheets have a specified 16-section format that must be completed by the manufacturer and accompany the shipment of the chemical to the client worksite.
5. **DVR Client Training.** OSHA requires training be provided to all DVR Clients who will be working around or have the potential to be exposed to hazardous chemicals. Manpower's orientation includes training on the overview of the hazard communication standard, labeling requirements, and safety data sheets. You will receive client specific hazard communication training upon your arrival at the work location.

Lifting. It is important for our associates to be aware of the basics of safe lifting to avoid injury. Follow the steps below:

1. Size up the load. Test the weight by moving one of the corners to determine if it is too awkward or heavy to lift alone. Get assistance from a co-worker or break down the load into smaller parts.
2. Make sure you can carry the load where you need to go before attempting to move it. Make sure your pathway is clear from obstruction.
3. Bend your knees. This is the single most important rule when lifting. Position your feet close to the load, center yourself over the load, bend your knees and get a good handle on the load, straighten your legs, and lift straight up. Allow your legs, not your back, to do the work. Do not twist; turn your whole body. When setting the load down, follow the same steps in reverse.
4. When moving product always push and do not pull where you are able, pushing places less stress on your back

Computer - Video Display Terminal (VDT). If your job is to work at a computer for more than four (4) consecutive hours each day, please review the following training.

Your workstation should be comfortable.

1. **Your Chair:** Height should be adjusted so feet rest flat on the floor or footrest. Arms should rest at a 90-degree angle to the keyboard. Backs of knees should not rest directly on the chair cushion. The lower back should be well supported.
2. **The Screen:** The top of the screen should be just below eye level, so the head remains neutral. The VDT screen should be at arm's length from the sitting position. Avoid glare by using a glare screen or by shielding windows.
3. **Keyboard:** Forearms should be parallel to the floor in an "L" shape. Wrists should be straight on the home row keys and in a relaxed and neutral position.
4. **Work Surface:** Wrists should not rest on the edge surface. Use a document holder to position the document at the same height and distance as the VDT screen.

Proper Posture is important.

1. **Your Head:** Keep your head in an upright position. Leaning forward or back could cause strain to your neck and shoulders. Having your computer screen and document at eye level will aid in keeping your head in the correct position.
2. **Your Shoulders:** Shoulder muscles work harder and are at higher stress levels when rounded forward. To lessen fatigue, allow for shoulders to drop to a relaxed position. If your shoulders feel raised, you may find your chair or keyboard is too high.
3. **Your back:** Leaning forward may feel more relaxing than sitting in an upright position, however, a forward lean adds strain to back muscles. You should be able to sit in your chair with your back against the backrest and work comfortably in an upright position.

Exercises and Stretches can help you stay healthy.

1. **Neck Exercises:** Tip your chin in and slowly roll chin across chest from shoulder to shoulder. With body facing forward, turn and look over each shoulder.
2. **Back and Shoulders:** Stand and lean back with your hands holding your lower back or hips. Hold for a few seconds. Hold your arms straight out in front of you and rotate your arms so the backs of your hands face each other, slowly rotate so that palms face each other. Bend from side to side with your arm raised over your head. Circle shoulders forward and then backward.

3. **Hands and Wrists:** While sitting or standing, drop your arms to your sides and shake your arms and hands for a few seconds. Spread your fingers wide and circle your wrists inward and then outward. Press your palms together as in a prayer position. Gently apply pressure by raising your elbows, then release.

Policies

In any job, it's important to understand the policies. Please review the policies presented here and indicate your understanding and acceptance of these policies by signing the acknowledgement.

Equal Employment Opportunity. Manpower does not discriminate against any individual based on age, race, religious beliefs, national origin, gender, sexual orientation, genetic information, disability, veteran status, or any other status protected by law. Any employee who believes that he or she has been discriminated against in violation of this policy, either by Manpower or by a Manpower client should immediately report this to Manpower as soon as possible.

Family & Medical Leave Act. Manpower's Family and Medical Leave Act (FMLA) Policy complies with the Federal FMLA and applicable state laws. Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period according to the FMLA law. More details can be found [here](#).

Drug and Alcohol Policy. Manpower is committed to providing and maintaining a healthy and safe workplace free from the effects of drugs, alcohol and other substances that impair an employee's ability to work safely and productively. Employees are prohibited from using or possessing alcohol and illegal drugs either at work or while working, including all forms of marijuana. For the purposes of this policy, illegal drugs are drugs that are illegal under either state or federal law.

The legal use of prescription medications by an employee is permitted while working provided that it is done under the supervision and approval of a medical provider, and such use does not impair an employee's ability to perform the essential functions of the job in a safe manner. The use and possession of medical marijuana is not permitted while working.

Certain Manpower customers, but not all, may require a Manpower applicant to undergo alcohol and/or other drug screening as a pre-assignment condition. A complete copy of Manpower's Substance Abuse Testing Policy may be obtained from Manpower.

- By signing the "Acknowledgement Receipt of DVR Client Training & Policy Handbook", I hereby voluntarily authorize and consent to being subjected to drug and/or alcohol testing as provided by Manpower's approved substance abuse testing policy or any of their client's approved policies. I understand that I may be required to be drug tested for each assignment. I also authorize and consent to the release of the results of such drug and/or alcohol tests to employees, agents and representatives of Manpower, the client and drug testing laboratories.
- If I have been on an assignment for Manpower previously, I waive the applicable requirements for "employees" under the Maine Substance Abuse testing statute and rules and agree to be subject to the approved drug testing policy of the company I am assigned to, so long as I have not been assigned to work at that company in the 30 days prior to the date I sign this document. No adverse action will be taken against any individual for refusing to sign the waiver, except that the individual will not be permitted to work for that client company.
- I hereby release and hold Manpower's medical facilities, testing laboratories and medical review officers harmless for their parts in the administration of this program and for their release of any related information to Manpower and its clients, consistent with this program. I also release and hold harmless Manpower, their officers and employees, and their clients, for their parts in the administration of this program and for their use of the information described above for the purposes described above. In the event that an assignment with Manpower for which I am applying entails the provision of services to Manpower clients or other entities, I agree that Manpower may disclose alcohol and other drug screen results (or any summaries thereof) to any such clients or other entities.

Violence-Free and Harassment-Free Workplace. Manpower is strongly committed to providing a violence-free workplace and has adopted a zero-tolerance policy. Violence, threats of violence, or intimidation of Manpower staff or associates, vendors, or client employees will not be tolerated. Examples include, but are not limited to:

- the intentional damage or destruction of, or threat of damage or destruction to, property.
- harassing or threatening using phone calls, surveillance, stalking, or social media.
- the suggestion or intimation that violence is appropriate.

© Manpower-Maine 03/07/2023

- possession or use of firearms or weapons. Possession or use of firearms or weapons under any circumstances on Manpower or client company property or elsewhere in connection with your employment will not be tolerated, consistent with applicable state laws. Manpower prohibits weapons in the workplace. Violations of this policy may result in termination of employment.

If you experience an actual or perceived threat of physical violence including intimidation, harassment, or coercion, immediately report the incident to your manager/supervisor and your DVR Counselor and Manpower. In life-threatening or emergency situations, call 911.

Solicitation/Distribution/Loitering. Selling items and/or distributing literature and other materials at the workplace for any purpose is prohibited during work time. Also, you are expected to be at client worksites only during your working hours, and not other times.

Wiretapping, Eavesdropping and Recording. You are prohibited from recording audio or video on Manpower or client premises without permission from Manpower's Legal Counsel. This applies to conversations in any form, including electronic communications.

Use of Information Technology Resources. Because you may perform job tasks on laptops, desktops, network stations, mainframe, and/or other Information Technology (IT) resources that belong to Manpower or our clients, you must comply with these rules. Do not:
